

Spring Survey RESULTS 2025

Our Nutrition-on-the-Go (NUGO) food distribution program operates at **21 sites** throughout Tulare County, bringing nutritious food directly to communities experiencing food insecurity.

175 participants

77%

were very satisfied with the program

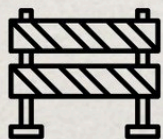

78%

said that the program greatly reduced household stress

66%

said they would be severely negatively impacted by state and federal cuts

Clients highlighted general challenges people face in accessing adequate food:

10%- Lack of education on healthy eating

26%- Lack of transportation

49%- Lack of affordable options

To better understand our impact and identify opportunities for improvement, we conducted a survey to gather feedback from the people we serve.

97%

SAID NUGOS HELP THEIR HOUSEHOLD NUTRITION

98%

RATED THEIR EXPERIENCE WITH STAFF AS POSITIVE

83%

SAID NUGOS MADE IT EASIER TO ACCESS FRESH FOOD

While the results show promising outcomes, we're committed to listening, learning, and improving. This feedback will directly inform how we evolve the NUGO experience to serve our clients even better.
